ABOUT ME

I am a Professional Dancer and have accomplished several World Titles and a Hall of Fame Induction. I am a hard working, driven Woman with many passions in life. I do have a bucket list of things to conquer and master, and Bartending/Mixology has been a passion of mine for some time now. I have completed 3 courses in this field and now I am ready. Since I have been self employed for 25 years in the Dance Business, working with many people on a daily basis, I feel bartending is a great way to continue working with people and enjoying my job at the same time. I have an awesome personality and I work well with others.
